N – We'd initially planned to do both the water treatment and the transition plan as statements only. Now that they're merging, just double checking you don't want to issue a Press Release. (I'm neutral on it but leaning toward just a statement.)

Thanks!

Nancy,

Attached is the final, approved statement on the ICP Transition Plan. (I'll send the plan itself shortly.)

Below is the final, approved statement on the Water Treatment Plant.

Do you want me to merge the two statements or should they be sent separately? (Please note that the AP and Denver Post are both writing stories on the water treatment plant for today.)
